WHAT YOU NEED TO KNOW ABOUT

RECYCLING REQUIREMENTS FOR APARTMENTS

WHY RECYCLE?

State law AB341 now requires that apartment communities/multi-family housing with 5 or more units recycle.

- Recycling may provide opportunities to save money.
- Recycling helps conserve resources and also helps create a healthy environment for our community and future generations.
- Many apartment residents are requesting recycling. Providing recycling opportunities helps promote your community as environmentally friendly.

HOW TO GET STARTED

It's easy to recycle.

- Use the information on the other side of this flyer to help your residents learn what they must do and what items can be recycled.
- Make sure residents separate recyclable items from trash inside their home.
- Tell residents they must place recyclable items in outside recycling containers for collection.
- Make sure residents know where outside recycling containers are located.
- Note: Any business or individual may donate, sell and/or otherwise arrange for the pickup of recyclable materials.

WHERE TO GO FOR MORE INFORMATION

Contact CR&R Environmental Services at **800.755.8112**

Visit **crrwasteservices.com** for more information from CR&R Environmental Services

For additional general information about recycling and waste reduction, visit the California Department of Resources Recycling and Recovery [CalRecycle] at **calrecycle.ca.gov.**

Information about multi-family recycling is available from the California Apartment Association at **www.caanet.org/caarecycling.**

WHAT YOU NEED TO KNOW ABOUT RECYCLING REQUIREMENTS FOR APARTMENTS

Recycling helps conserve resources and also helps create a healthy environment for our community and future generations.

TYPES OF MATERIAL TO RECYCLE

- Clean, dry paper — junk mail, newspapers, magazines, phone books, catalogs
- Cardboard boxes
- Plastic and glass bottles and jars
- Metal and aluminum cans
- Metal containers and empty aerosol cans

DON'T PUT IN RECYCLING BIN

- ⊘ Broken glass
- ⊘ Contaminated or wet paper
- ⊘ Plastic hangers
- ⊘ Plastic toys
- ⊘ Garden hoses
- ⊘ Rubber tires
- ⊘ Hazardous waste — paint, batteries, antifreeze, pesticides, cleaning products, appliances, cell phones, TVs, computer monitors
  For information on proper disposal or recycling of these materials, please visit the Riverside County Waste Management Department at **www.rivcowm.org.**

HOW TO RECYCLE

Separate recyclable materials inside your home and place them in the outside recycling collection containers provided at your apartment community. Please do not mix regular household trash with recyclables.
