AGENDA
SPECIAL MEETING
ADMINISTRATION, FINANCE and PLANNING COMMITTEE

Larry Greene
Randy Bonner

Thursday, July 20, 2017
10:30 a.m.

Canyon Lake Council Chambers
31516 Railroad Canyon Road
Canyon Lake, CA 92587

1. Call to Order
2. Pledge of Allegiance
3. Roll Call
4. Public Comments
5. Discussions on Charles Abbott Associates current and past projects
7. Staff Comments
8. Committee Member Comments
9. Adjournment

Next Meeting Date: August 1, 2017
TO: AARON PALMER
FROM: MARGARET MONSON
ASSOCIATE ENGINEER
SUBJECT: PUBLIC WORKS AND ENGINEERING PROJECTS
DATE: JULY 20, 2017

Active Public Works projects within the City:

Public Works Engineering
On-going, on call, as requested. Available always via cell phone, text and email. Service is only as requested and approved by city staff. Billing is hourly.

Railroad Canyon Road Wrought Iron Fence Repair Project
Project originally requested by former Interim City Manager February 2016. This phase of the project consists of removing and replacing the iron wrought fence along the northeast side of Railroad Canyon Road, between the golf course and east of Country Club Drive. The first Bid Advertisement yielded two bids which were rejected. The Bid Documents were revised and public works staff actively sought bidders for the revised project.

The project was re-advertised to the public on April 25, 2017, and the Bid Opening occurred May 18, 2017, with AB Fence Company as the lowest qualified bidder for the amount of $64,444. City Council award the contract to AB Fence Co. Copies of the bids are included for your information.

The Notice to Proceed was issued 06/07/17. The Contractor has ordered the fencing materials. The Pre-construction Meeting will be conducted once the Contractor receives the fencing materials. On 06/27/17, the Contractor notified the City they anticipate receiving the materials the week of 7/10/17.

Railroad Canyon Road Wrought Iron Fence Repair Project- Location 2
Project requested by former Admin and Finance Committee October 2016 and verified with current City Manager. On the north side, from Country Club Drive, west to City Boundary. Charles Abbott Associates (CAA) is developing the Contract Documents for public bidding.

Fire Station Repairs
Project requested by current City Manager. A fire crew is to occupy the Canyon Lake Fire Station as early as July 2017. City Council approved a budget of $110k in April 2017 to repair the facility. Contract approved and signed on May 9, 2017. CAA prepared bid documents, publicly bid, managed the construction and completion of the interior repairs of the fire station in less than 2 months.

Since the budget has been approved, a preliminary microbial investigation, plumbing and HVAC system assessments, weed abatement and pest control services have been conducted at the fire station.
CAA prepared the Contract Documents to complete the interior repairs. Local businesses were notified of the bidding opportunities. 6 separate minor bids for interior work were requested. On May 22, 2017, CAA received three bids on behalf of the city for each. Awards were made as follows:

**2017-02 Shower and Water Heater Closet Door Repair** – Masterline Plumbing $8,690
Council approval and award obtained. The Final Inspection was passed on 06/29/17. Once the final invoice and the Certified Payroll Certificate are received, an Acceptance of Contract Work Staff Report will be presented to City Council for filing of the Notice of Completion.

**2017-03 Drywall Repair** - Masterline Plumbing $4,650
The Final Inspection was passed on 06/29/17. Once the final invoice and the Certified Payroll Certificate are received, the invoice will be processed.

**2017-04 Plumbing Repair** – Masterline Plumbing $3,926.25
The Final Inspection was passed on 06/29/17. Once the final invoice and the Certified Payroll Certificate are received, the invoice will be processed.

**2017-05 Rear Door Repair** – Masterline Plumbing $4,250
The Final Inspection was passed on 06/29/17. Once the final invoice and the Certified Payroll Certificate are received, the invoice will be processed.

**2017-06 Interior Painting** – Five Star Painting $4,900
The Final Inspection was passed on 06/29/17. Once the final invoice and the Certified Payroll Certificate are received, the invoice will be processed.

**2017-07 ADA Retrofit** – Masterline Plumbing $7,425
Council approval and award obtained. Council approval and award obtained. The Final Inspection was passed on 06/29/17. Once the final invoice and the Certified Payroll Certificate are received, an Acceptance of Contract Work Staff Report will be presented to City Council for filing of the Notice of Completion.

**Fire Station Landscaping** - Steve Frenken prepared an Existing Planting Plan at the front of the fire station. He will discuss the Proposed Planting Plan directly with Mike Borja, as requested.

**Fire Station- Electrical Repairs** - PV Maintenance replaced all of the light fixtures. Masterline installed a receptacle outlet, on a dedicated branch circuit, to serve the microwave.

**Fire Station- Carpet, Upholstery and Tile Cleaning** - PV Maintenance completed all of the cleaning tasks on 06/13/17. Carpet cleaning was completed on 6/30/17.

**Fire Station Overhead Door Repairs** - Lawrence Doors completed the initial task list and determined additional repairs are needed. Parts are ordered and work is deemed necessary and approved by Mike Borja to proceed. Will submit final invoices upon completion.

Exterior repair bid document preparation is underway and will be advertised for public bid shortly.

**Plant Replacement Project** **Railroad Canyon Road**
Steve Frenken, Landscape Architect has revised the plant replacement list and prepared an estimate for the entirety of Railroad Canyon Road and a work shop will be presented to the Council at the request of the City.

**2017-01 Slurry Seal Project** **Railroad Canyon Road**
The 2017 Slurry Seal Project Scope of Work entails the application of slurry seal along Railroad Canyon Road, pothole repairs, traffic striping and temporary traffic control. A budget estimate of $533k was delivered to the City on 03/22/17. This project will be accomplished in two phases over two fiscal years: Grind /Overlay small
portions of Existing Pavement and Slurry Seal Existing Pavement from boundary to boundary. Project documents will be prepared for both and bid at the appropriate times, as requested by the City Manager.

2017-08 Speed Limit Sign Evaluation Railroad Canyon Road
CAA conducted an evaluation of the existing speed limit signage and radar feedback signs on Railroad Canyon Road. Recommendations for speed limit and radar speed feedback signage have been prepared and were delivered to the City on 03/27/17. Plans and specifications will be prepared for public bid for Fiscal Year 2017/2018 at the request of City staff.

Tree Pruning Railroad Canyon Road
Project completed March 2017 and final invoice submitted for payment. Originally, project came from numerous public complaints to the City July 2017. City did not already possess records of tree maintenance inventory and documentation, as needed for insurance liability. Arborist, Steve Frenken prepared the required documents and the recommended maintenance requirement. Bids were prepared and awarded to Park West Tree Service.

Landscaping Maintenance Contract Railroad Canyon Road and Fire Station
Bid documents were prepared by Charles Abbott Associates, Inc (CAA). The project is advertised on EBidBoard and in the Friday Flyer. Prospective Bidders are to partake in the mandatory Site Walk-Through on 07/06/17. Bids will be opened and read publicly on July 20 and a recommendation will be made to council for award. Bidders will be informed at the mandatory meeting of the possibility of additional landscape in the medians to be maintained.

Storm Drain Repair Near Longhorn and Strawberry – outside POA jurisdiction
Project originally requested by former Interim City Manager February 2016. The City Attorney is awaiting CAA's response regarding contractual language in efforts to cancel the contract with KAD Paving. Once the interior fire station repairs are addressed, CAA will address this issue.

Sound Wall Repair Railroad Canyon Road
Project originally requested by former Interim City Manager February 2016 to repair broken sound wall damaged by vehicle accident. The project documents were prepared by CAA, bid, awarded and completed June 2016.

Railroad Canyon Road Maintenance
On-going, on call, as needed. Normal response time is 30 minutes to 1 hour. Service is only as requested and approved by city staff. Billing is hourly.

Engineering plan check

TO: Administration and Finance Committee
   Mayor Randy Bonner
   Councilman Larry Green

FROM: Aaron Palmer, City Manager

BY: Margaret Monson, Associate Engineer

DATE: July 20, 2017

SUBJECT: Landscape Plant Replacement

Recommendation
That the City Council:

1. Review the existing Landscape Planting Plans and the Proposed Shrub Replacement Plans; and

2. Direct staff as appropriate regarding the quantity and variety of planting; and

3. Authorize staff to prepare bid package and advertise for installation of Proposed Shrub Replacement, as directed.

Background

The City of Canyon Lake widened Railroad Canyon Road in 2012 and installed planting based on landscape plans approved by City Council as a part of the entire road widening project. The 2012 contracted landscape company installed the plants and were also contracted to maintain the planting for one year following the acceptance of installation, however, the contractor abandoned the project. The City received a settlement agreement for the replacement of plants that had died as a result.

The City Manager directed engineering staff to begin with tree replacements starting February 2016. Charles Abbott Associates’ Landscape Architect and Certified Arborist, Steve Frenken, conducted a tree survey for health and maintenance, completed in July 2016. This resulted in scheduling for tree trimming in the dormant growth season and occurred in March 2017. Steve Frenken reviewed the existing 2012 planting plans, inspected the entirety of Railroad Canyon Road, prepared replacement tree planting plans based on the State water conservation ordinance requiring drought tolerant planting in municipal applications. He met with the City’s contract landscape maintenance company, CTAI, who completed the tree replacement installation in December 2016. This was following the numerous, required repairs and replacements to the existing irrigation and lighting systems.

Steve Frenken will present the Proposed Shrub Replacement Plans here today to assist the Council in directing staff regarding the planting replacement.
**Fiscal Impact**

Proposed Plant Replacement, at the same quantity level as specified on the existing plans, where plant death has occurred, is as specified on the estimate prepared by Steve Frenken using the unit prices agreed to by contract with CTAI Pacific Greenscape, Inc., the City’s contract landscape maintenance company. See the attached estimate.

Staff is requesting direction relating to the quantity of plant replacement. If preferred, staff will revise the plans and estimate to the quantity level the Council determines. Staff is also requesting direction in advertising for public bidding outside of the Council authorized landscape maintenance contract under the supervision of Public Works or as bid by the landscape maintenance contractors in the up-coming landscape maintenance contract.
