There was discussion regarding how pleased the Council was with Charles Abbott.

7. **Discussion Regarding Purchasing Policy**

Aaron Palmer, City Manager, discussed potential changes to the City's purchasing policy, including additional steps and limits for various processes in purchasing.

There was discussion regarding the dollar amounts for informal and formal bidding processes, as well as sole source issues.
There was discussion regarding having CR&R provide a cost survey with other potential solid waste franchisees.

There was discussion regarding the bidding process. There was discussion regarding the process of bringing items to the committee prior to bringing it to the City Council. There was discussion regarding emergency authorization for the City Manager in case a situation arose that required it.

There was discussion regarding what other policies and issues that Committee Member Tim Brown would like to see addressed by the incoming Council Members.

a. Claims and Demands

There was discussion regarding the City switching copy machine lease providers. City Manager Palmer stated that switching providers saved money each month and provided more advanced technology.

There was discussion regarding the payment to Synoptek and their lack of responsive service.

Committee Member Tim Brown explained what the Committee looked at and questioned on the Claims and Demands. Staff explained that they were working on how to provide better explanations on the documents.

There was discussion regarding how the Sheriff’s contract was scheduled for payments monthly plus a once a year adjustment, and the Fire contract was scheduled quarterly. There was additional discussion regarding how the costs and rates were set.

There was discussion regarding providing a revenue statement each month, showing the details of where the City revenue comes from.

There was discussion regarding whether or not the City was reimbursed for blood draw costs when people were convicted of driving under the influence.

b. Credit Card Review

There was no discussion.

9. Financial Statement

There was discussion regarding a mistake putting a negative number on the statement. There was discussion regarding how the Fire and Medical bills were received and paid.

There was discussion on how the projected monthly budgets were put together.
There was discussion regarding the annual audit and why the City Council had not seen it yet. Staff stated that the auditors normally come in the last week of November or the first week of December, and the results had just been received. There was discussion regarding the mid-year budget review timeline.

There was discussion regarding the amount of the projected surplus and the funds received from the Utility Users Tax.

There was discussion regarding the impact of property taxes on the amount of funding that the City receives.

10. Investment Report

There was discussion on what types of bonds were purchased.

11. Update Regarding Utility Users Tax Collected to Date

There was discussion regarding the differences in the amounts received throughout the year.

There was discussion regarding how much better the amounts were coming in at for the current year versus the previous year and the percentage increase.

There was discussion regarding how the solid waste user tax came in. It was mostly collected twice a year with property taxes, but some did come in quarterly for commercial accounts.

12. Staff Comments

There were no Staff Comments.

13. Committee Member Comments

Tim Brown, Committee Member, stated that he appreciated the job that staff did and encouraged them to keep up the good work. He stated that he was proud to have been part of the City, and enjoyed working with Council Member Zaitz.

John Zaitz, Committee Chair, stated that he appreciated the staff and their professionalism, and that he respected Mayor Brown and the job he had done.

14. Adjournment

The meeting was adjourned at 10:00 a.m.
