6.1 Meeting Minutes December 6, 2016

The minutes were approved as presented.

6. Update By Charles Abbot Associates

An update was provided on the maintenance of the catch basins and potential filters for the catch basins.

An update was provided on the Railroad Canyon Road median landscaping maintenance and tree replacement, and the bids that were put out for replacing the wrought iron fence. There was discussion regarding what various requirements could be changed to lessen the cost of the wrought iron replacement. There was discussion regarding whether a sound wall can be built along the golf course instead of the wrought iron fencing.

There was discussion regarding a car accident that occurred on Railroad Canyon Road in November and damaged the lighting and landscaping on the median, and a service manhole that was destroyed.
There was discussion regarding how many engineering plan checks were done, and an encroachment permit for the cable and gas company.

There was additional discussion regarding the bids that were put out for replacing the fence. Margaret Monson, Public Works, stated the bids were rejected because they were too high and she would continue to look for contracting companies that would do it for less money.

There was discussion regarding Building and Safety activity, including permits and inspections. There was an update on the Property Owners Association (POA) Dog Park, and plan checks for the pickle ball court. There was an update on a conversion to a multi-family housing unit in the City.

There was additional discussion regarding the dog park.

a. Claims and Demands

There was discussion regarding blood draw costs for Sheriff’s services.

There was discussion regarding the water bill for the fire station. Staff explained that the majority of the charges came from the sewer, which is also based on a commercial charge.

There was discussion regarding the cost of the anchors and buoys for the north lake. Staff explained that the money spent would be reimbursed through a grant from Western Riverside Council of Governments (WRCOG).

There was discussion regarding a payment made to Christopher McPeek and a charge on the U.S. Bank credit card for Veterans Day tree lighting, and student of the month. Staff explained that the charge was for the Christmas Tree lighting was about half of the total cost on the credit card and half the total cost to Christopher McPeek. Staff went on to explain that this year’s cost was to purchase the tree, lights, and the cost of setting up. In future years, the tree lighting would cost between $800 and $1000 to set the tree up and take it down. Staff went on to state that the janitorial contract had been switched and the savings from that contract would almost cover the cost of purchasing the lights this fiscal year.

There was discussion regarding the new cleaning company that would be taking effect January, 2017. There was discussion regarding installing cameras inside City Hall.

There was additional discussion regarding the water bill from the fire station.

Larry Greene, Committee Member asked a question regarding whether or not the new cleaning company would also be cleaning the fire station. Aaron Palmer, City
Manager, stated the new cleaning contract was for maintenance of City Hall only, but he would speak with Public Works in regards to providing the necessary maintenance to the fire station.
